- Round 375ml jars are approximately 72mm in diameter and 128mm in height.
- Round tall 250ml jars are approximately 54mm in diameter and 185mm in height.
- NOTE: Square jars are about 10% broader and 10% shorter.

JUDGING FOR JAMS & MARMALADES

Jams are made from chopped, crushed or ground fruit.

Shape of the fruit pieces is not retained during preparation.

The jams should be free from separation into layers, sediment, cloudiness, or crystals – best fresh.

Clarity or Clearness Free from air bubbles and foam

Colour Natural colouring, characteristic of the cooked fruit. Free of discolouration, especially from burning or scorching in preparation

Peel (Marmalades) Shreds of peel evenly distributed – no chunks of fruit, peel and added ingredients.

To be tender, citrus aroma

Pack headspace 3mm below top of jar – no paraffin seals

Consistency Smooth, thick, uniform throughout –not too stiff, not runny, gummy, or syrupy

Container Clean, free of cracks, chips, or rust

Label With name of Jam and date made

Lids Plain, no advertising, no padded lids or fabric overwraps (as they interfere with the judging)

Only clean, commercial 250ml – 375ml jars will be judged, Lids must be loosened.

JUDGING FOR JELLIES

Clarity or Clearness	Clear, usually sparkling, transparent or translucent (depending on fruit juice) Free from sediment, cloudiness, pulp or crystals. Free from air bubbles and foam
Colour	Natural colouring. Close to characteristic colour of original juice
Pack headspace	3mm below top of jar
Consistency	Firm enough to hold shape, but tender (quivers) Entire 250ml or 375ml jar contents should stay together and not break apart when jar is inverted Not sticky, gummy, or syrupy
Label	With name of Jelly and date made
Container	Free of cracks, chips or rust
Lids	Free of advertising no padded lids or fabric overwraps (as they interfere with the judging)
Only clean, commercial 250ml – 375ml jars will be judged, <u>Lids must be loosened.</u>	

JUDGING FOR PRESERVES

Clarity or Clearness	Syrup or jellied juice is clear, and bright in colour Syrup in preserves appears thick to “heavy” like honey and surrounds all fruit Free from mushy broken apart fruit tissue, sediment, cloudiness or crystals
Colour	Natural colouring, characteristic of the base fruit Pieces of fruit are translucent to clear
Pack headspace	3mm below tip of jar. Free from air bubbles and foam Good proportion of syrup and solids Fruit well covered with syrup Fruit pieces hold their shape Pieces of fruit are uniform in size
Container	No cracks, chips or rust on jar
Label	With name of Preserve and date made
Lids	Free of advertising, no padded lids or fabric overwraps
Only clean, clear commercial up to 1 ltr jars will be judged, DO NOT loosen lids	

JUDGING FOR SAUCES

Pack headspace	Bottle filled to the top
Consistency	Even pouring consistency – no sediment on the bottom, and not too thick
Label	No commercial labels – name & date of sauce
Containers	Ideal size 250 ml bottle - will take 250 ml – 375 ml bottles
Only clean, commercial 250ml – 375ml jars will be judged, <u>Lids must be loosened.</u>	

JUDGING FOR PANTRY COLLECTION

To be displayed in a **MEDIUM SIZE BASKET OR BOX**

We encourage entrants to embrace the Show Theme “Colours of Autumn” and decorate their entry to suit.
Use your imagination!

ADULT entries – Must consist of at least **10 items** e.g. JAMS, SAUCES, PICKLES, CHUTNEY & RELISH.
The more variety the better – sweet and savoury, jams and chilli, show your skill!

CHILDREN’S entries – At least **5 items** – varied

Bottles/jars won’t be opened but must be of show standard.

Jars – less than 250 ml size, consistency of size/style of jar bottle through the display makes for a better display.

Lids can be covered – no commercial labels to be visible.

Label the jar/bottle with the content.

If possible tilt your jars and bottles to display the variety of contents, makes judging and viewing more interesting.

Having the display lay flat also makes for easier viewing.
