- \* Work previously exhibited at Goulburn Show will NOT be accepted
- \* Images can only be entered in one class. Similar images may be entered in another class. This is not advisable as it lessens the initial impact for the judge and impact is a key element in judging photographic competitions.

**PRINT SIZE**

- **Acceptable print sizes:** No smaller than 178mm on the longest side based on 5x7 inches photo paper size and no larger than 420mm on the longest side based on A3 photo paper size.

**PRINTING**

- \* Images may be printed using traditional darkroom processes or digitally using inkjet or other processes
- \* Images can be printed by a person other than the photographer but not altered by them except for minor contrast and colour correction.
- \* Cropping is permitted but must be done by the photographer submitting the entry or under their direct guidance.
- \* Only photos printed on photo grade paper will be accepted. No Computer Copy Paper will be allowed.
- \* No Laminated prints will be accepted.

## MOUNTING

- \* **Photos to be mounted on Black or White HEAVY cardboard**
- \* **Matte board is preferred**
- \* The mounting board must be at least 3cm but no more than 5cm on each side surrounding the printed image.

See example:

- \* **All photos must be firmly fixed to the cardboard.** Any photos that come unfixed will be removed and not displayed. This also applies to images brought in on soft card mounts (eg project poster paper)
- \* No photos under glass or framed, except by the mount board as described above, will be accepted
- \* **IMPORTANT:** Please stick at least four Velcro type hook circles or rectangle pieces to the back of each entry. Test if it sticks to carpet to ensure your images will stick firmly to the carpet display boards (no staples, pins or thumb tacks will be used to hang the exhibits). Top Shot Printing & Framing can supply the velcro

## LABELLING

- \* The entry label which you have printed (without your name) should be attached to the front left corner of the mount board. On the back of the exhibit write the entrant's name, address, phone number and name of their school if a student.

## ORIGINAL WORK

- \* All entries must be original work of the exhibitor and not copied from magazines, books or the internet, scanned from a print, transparency or negative from another photographer, or captured on camera by another person.

## DEFINITIONS

- \* **Monochrome** - Images using different shades of a single colour, or grey scale to produce the image. They may include black and white with shades of grey, sepia, blue, green or magenta toned prints or other single colour.
- \* **Macro** - Is extreme close-up photography, usually of very small subjects and living organisms like insects for example, in which the size of the subject in the photograph is greater than life size.
- \* **Streetscape** - The visual elements of a street, including the road, adjoining buildings, sidewalks, street furniture, trees and open spaces, etc. that combine to form the street's character. It may include people as an element in the overall scene.
- \* **Landscape** - Shows spaces within the world, sometimes vast and unending, but other times microscopic. Images typically capture the presence of nature but can also focus on man-made features or disturbances of landscapes. People should only be incidental to the scene and not the focus or major element in the image.
