NO ENTRY FEE

Prizes will be ribbons, unless otherwise stated.

PLEASE NOTE:

All LEGO items **MUST** be clearly marked **WITH A LABEL** with the name of the entrant, age and contact number. This information can be provided on the back of the printed show label. Please include your family name in bold on the back of your entry – this helps us to group the entries together for collection.

This is the second year for a dedicated LEGO section, so get out your LEGO sets, new and old, let's make it even bigger than last year and yes, this is absolutely possible!

Please note we are allowing other branded bricks as well.

Go through your buckets of LEGO and build something creative for the free build sections and the Goulburn Show Theme - "**Flora & Fauna**"

We have added a couple of new sections, **Duplo** and another one that we are quite excited about is the **Display only** section, if you have an amazing creation that you have entered before, kit or free build, bring it out of your display cabinet and enter it in the Display only section, so all of Goulburn can enjoy it again, the more the merrier!

This year there will also be prize money for the Family section, this section is for collaborative builds with your family and/or friends. No need for heated discussions over who gets to enter that co-op build into which section, do it together and try for the prize!

Please ensure that you scroll through the whole program so as to not miss any section!

If you would like to volunteer in the Lego section – all ages welcome, please get in touch with Claire.
There are a few jobs like setting up, packing up and helping over the show weekend.
