Definitions

- * "DISTINCT" means different e.g. separate varieties/cultivars
- * "NOT NECESSARILY DISTINCT" (NND) means an exhibit need not necessarily consist of different varieties/cultivars, they can all be identical, or they can be more than one colour.
- * "A BUD" is considered as a flower and could cause disqualification if class asks for 1 bloom and there is a bud and a full flower.
- * NOS = NOT ON SCHEDULE
- * NAS = A judge may write NAS on an exhibit if it is Not According to Schedule.

Flower Hints

Pick most show entries on judging morning - very early (or late on the evening before) and put straight into water up to their necks - then take inside for sorting out into individual jars. Don't add anything to the water as long as the flowers have a good drink when picked most will last without additives.

The stage of bloom at cutting time is critical. The flowers should be fully out at judging but JUST!
Judges look for different things with flowers and it is not always the size. Symmetry is very important - an even shape on both sides) and blemish free blooms.

Dahlia blooms should be 160mm from top of vase to flower centre.

FLORAL ART

EXHIBITORS PLEASE NOTE

No protective netting will be used, exhibitors enter at own risk

IN THE FOLLOWING CLASSES ANY EMBELLISHMENTS ARE EXCEPTED UNLESS OTHERWISE STATED
ARTIFICIAL FLOWERS AND FOLIAGE NOT PERMITTED

Floral Art Hints

Floral art sections are in titles - they are an art form, and the title suggests the style and the finished article is a whole picture, a blend of shape, size, colour of container and contents. The first element is the container and it must suit the style. "Bold & Beautiful" for example would not suggest a shapely slender container.

The next important element is the line material, or non-plant material that provides the background, the emphasis being on 'line' A 'no-no' is for any supportive structure/s to be visible. Arrange foliage to hide them.

"Something for everyone"

GARDEN CLUB DISPLAY

Open to all garden clubs and organizations in the Goulburn region

We would like to invite your Garden Club to be part of the Goulburn Show to be held on **Saturday 1st and Sunday 2nd March 2025.**

The garden displays in 2024 were fantastic and very popular with Show visitors so we are seeking your support to do something similar in 2025. The theme for the 2025 Goulburn Show is **"Colours of Autumn"**.

Each group will be allocated a wall site with a width of approx. 2 metres and as high or low as you would like to fill in that spot, with flowers, pots, oddments, promotional material, etc. Alternatively, you can have a site away from the wall, just let us know your preference.

Garden displays will need to set up on Friday 28th February. Flower Stewards will be in attendance at the Basketball Pavilion from 2.00pm till 5:00pm on Friday 28th and from 7am on Saturday 1st for any final touch-ups. Exhibits may be collected from 4.30pm on Sunday 2nd March 2025.

There will be no fee for clubs to enter the Garden Club Display.

We would be delighted if your gardening group would be interested in having a display. To book a spot please fill in the form below and return to the Goulburn Show Office as soon as possible so we can allocate an area for your display.

If you have any questions, please call the Goulburn Show Secretaries, Robyn Picker, or Trish McLaughlin, on (02) 4821 6813 or President Jacki Waugh on 0428 298 157. Please leave a message if phone is unattended.
