11. 2021 Goulburn Show Theme "*Resilience*"
Goulburn like the rest of Australia has undergone some difficult years, drought, bushfires, flooding rain, windstorms, the impacts of the Covid-19 virus, shutting down of businesses, schools and restriction of travel. There have been massive job losses and loss of work hours, entertainment has been restricted and we have all had to adapt to changes in the way we conduct our lives. Throughout this, there have been extraordinary examples of resilience. This section gives photographers an opportunity to highlight photographically the resilience they have witnessed. Also this section is not only limited to the struggles related to these situations but can include any other examples of resilience captured by the competitor.
